This Certificate is valid until
2015-09-07

Rolf Emilsen
Surveyor

The Certificate is subject to terms and conditions overleaf. Any significant changes in design or construction of the product, or amendments to the Directive or Standards referenced above may render this Certificate invalid. The product liability rests with the manufacturer or his representative in accordance with Council Directive 96/98/EC, as amended. The Mark of Conformity may only be affixed to the product and a Declaration of Conformity may only be issued when the production/product assessment module referred to in the council directive, is fully complied with.

Certificate No.: MED-B-6337
Item No.: A1/3.18e
Job Id.: 344.1-002652-1

Product description

"Sikaflex[®] - 295 UV"

mastic, made up of polyurethane (about 30%), inert components (about 20%), plasticizer (about 20%)

Amount :200 g/m²

Applications/Limitations

Low flame spread surface material, not generating excessive quantities of smoke nor toxic products in fire.

Maximum gross calorific value shall be documented separately where applicable, ref. SOLAS Chapter II-2 Reg. 5.3.2

Each product is to be supplied with its manual for installation and use.

Type Examination documentation

Test reports: No. PX00021C dated 23 February 2010 and No.FX007771A dated 17 June 2010 from SP, Sweden.

Tested according to IMO FTPC Parts 2 and 5.

Marking of product

The product or packing is to be marked with name of manufacturer, type designation and MED Mark of Conformity (see below).

Mark of Conformity

The manufacturer is allowed to affix the Mark of Conformity according to Article 11 in the Council Directive 96/98/EC on Marine Equipment and shall issue a Declaration of Conformity, only when the module D or E or F of Annex B in the same directive is fully complied with.

Module D: The quality system for production and testing shall be approved by the Notified Body.

Module E: The quality system for inspection and testing shall be approved by the Notified Body.

Module F: Compliance of the products to type as described in this EC Type-Examination Certificate must be verified by the Notified Body who also shall issue a Certificate of Conformity.
