Essen

This Certificate is valid until
2013-10-20

Rolf Emilsen
Surveyor

The Certificate is subject to terms and conditions overleaf. Any significant changes in design or construction of the product, or amendments to the Directive or Standards referenced above may render this Certificate invalid. The product liability rests with the manufacturer or his representative in accordance with Council Directive 96/98/EC, as amended. The Mark of Conformity may only be affixed to the product and a Declaration of Conformity may only be issued when the production/product assessment module referred to in the council directive, is fully complied with.

Certificate No.: MED-B-6477
Item No.: A.1/3.1
Job Id.: 344.1-001524, 344.1-002816-1

Product description

"SikaFloor Marine PK.-90 N"

primary deck covering system composed of max. 2 mm SikaFloor Marine PU Red and max. 50 mm SikaFloor Marine-18.

Total thickness is 52 mm.

Application/Limitation

Primary deck covering, not generating excessive quantities of smoke nor toxic products in a fire. Approved for use throughout the accommodation.

Not to be used as an integrated part of horizontal class A division, unless tested as such.

Each product is to be supplied with its manual for installation/application and maintenance.

Type Examination documentation

Test report File No.: PF12917 Serial No.: 11676 dated 08 August 2008 from Danish Institute of Fire and Security Technology, Hvidovre, Denmark.

Test report No. 2005CSO1871/1 dated 05 may 2005 from Test Laboratory of RINA Spa, Genova, Italy.

Tested according to IMO FTPC Part 6 and Annex 2 item 2.2.

Marking of product

The product or packing is to be marked with name of manufacturer, type designation, the Mark of Conformity and USCG approval number, if applicable (see below).

Mark of conformity

The manufacturer is allowed to affix the Mark of Conformity  according to Article 11 in the Council Directive 96/98/EC on Marine Equipment and issue a Declaration of Conformity, only when the module D of Annex B in the same directive is fully complied with.

Module D: The quality system for production and testing shall be approved by the Notified Body.

USCG Approval

An U.S. Coast Guard approval number will be assigned to the equipment when the production module has been completed and will appear on the production module certificate (module D, E or F), as allowed by the "Agreement between the United States of America and the EEA EFTA states on the mutual recognition of certificates of conformity for marine equipment" signed 17 October 2005.
